(b) In their judgement dated 4.2.1993 in Unnikrishnan's case, the Hon'ble Supreme Court directed *inter-alia* that every State Govt. shall constitute a committee to fix the ceiling on the fees chargeable by a professional college. Accordingly, the committees set up by the Governments of Maharashtra, Karnataka and Tamil Nadu recommended the following fee structure:—

Maharashtra	Rs. 1,71,500/- per annum
Karnataka	Rs. 65,000 to 85,000/- per annum
Tamil Nadu	Rs. 1,58,000/- per annum

As there was no uniformity in the fee structure in different States, the Hon'ble Supreme Court modified its earlier order and determined the following fee structure for private medical/dental colleges vide its order dated 7.10.1993.

Medical Colleges

1. Colleges having their own hospital facilities	Rs. 1,40,000/- per annum
2. Colleges partly utilising the facilities of Govt. hospital and partly their own	Rs. 1,20,000/- per annum
3. Colleges who do not have their own hospital but depend entirely on the Govt. hospital for training students.	Rs. 1,00,000/- per annum

Dental Colleges

1. Colleges having their own hospital facilities	Rs. 1,00,000/- per annum
2. Colleges availing of Govt. hospital facilities	Rs. 90,000/- per annum

The Court has further directed that the above fee structure is only a tentative fixation subject to adjustment on regular determination of fee structure by the Central Govt. and/or Central Councils concerned.
